**UNITED STATES BANKRUPTCY COURT

In re:

Debtors.¹

Chapter 11

Case No. 22-22549 (JLG)

**VERIFIED STATEMENT OF STEVENS & LEE, P.C.
PURSUANT TO BANKRUPTCY RULE 2019**

Pursuant to Federal Rule of Bankruptcy Procedure 2019, Stevens & Lee, P.C. (“S&L”) makes the following representations on its own behalf and on behalf of Keller Postman LLC (“Keller Postman”), with whom S&L is associated in these bankruptcy cases:

1. S&L and Keller Postman represent Dr. Eric Hestrup, in his individual capacity and as a representative of the putative classes of purchasers of health insurance (“Hestrup,” and with the class members, collectively, the “Private Insurance Class Claimants”) in the actions listed herein (the “Private Insurance Class Actions”). All of the Private Insurance Class Actions have been and

¹ The last four digits of Debtor Endo International plc’s tax identification number are 3755. Due to the large number of debtors in these chapter 11 cases, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the

remain stayed in connection with *In re National Prescription Opiate Litigation*, No. 1:17-md-2804 (N.D. Ohio) (the “MDL”).

2. Dr. Hestrup is the lead class claimant in a nationwide class action complaint in the United States District Court for the Northern District of Illinois, *Hestrup v. Mallinckrodt PLC, et al.*, Case No. 19-cv-08453 (“*Hestrup Complaint*”). The *Hestrup Complaint* was subsequently transferred to the MDL and all proceedings in connection therewith are currently stayed.

3. Generally, the Private Insurance Class Actions seek to hold manufacturers and distributors of opioids, as well as pharmacies (collectively, “Opioid Defendants”), liable for their role in creating the opioid epidemic. Dr. Hestrup has named Endo Health Solutions Inc. and Endo Pharmaceuticals Inc. (together, the “Defendant-Debtors”) in the *Hestrup Complaint*.² As a result, Dr. Hestrup will be asserting claims herein on behalf of the Private Insurance Class Claimants.

4. The direct and proximate consequence of the misconduct of Opioid Defendants, including the Defendant-Debtors, is that every purchaser of private health insurance in the United States paid higher premiums, co-payments, and deductibles. Insurance companies have considerable market power and pass onto their insureds the expected cost of future care—including opioid-related coverage. Accordingly, insurance companies factored in the unwarranted and exorbitant healthcare costs of opioid-related coverage caused by Defendant-Debtors and other Opioid Defendants and passed all or virtually all of these increased costs through to insureds in the form of higher premiums, deductibles and co-payment.

5. Neither Dr. Hestrup nor any of the Private Insurance Class Claimants has any “disclosable economic interest” other than as disclosed in the preceding paragraphs.

Debtors’ claims and noticing agent at <https://restructuring.ra.kroll.com/Endo>. The location of the Debtors’ service address for purposes of these chapter 11 cases is: 1400 Atwater Drive, Malvern, PA 19355.

² Dr. Hestrup and the Private Insurance Class Claimants reserve the right to assert claims against all Debtors.

6. Other than as disclosed herein, S&L does not currently represent or claim to represent any other entity with respect to the Debtors' cases, and does not hold any claim against or interest in the Debtors or their respective estates.

7. Keller Postman represents other entities in actions also currently stayed in connection with the MDL, identified in the attached Exhibit A.

8. S&L reserves its right to revise or supplement this verified statement as may be necessary or appropriate. This statement is provided without prejudice to the right of S&L and its clients to file any further statements, claims, adversary complaints, documents, notices or pleadings in these chapter 11 cases.
